

Danforth Village BIA

Flower Watering Program

The Danforth Village Business Improvement Area appreciates businesses who are helping to beautify our area by placing planters of live flowers and/or plants outside their businesses. The DVBIA has implemented a FREE flower watering service for BIA members which will occur approximately every other day, from June 1 – Sept 30. By filling in the form below, you are agreeing to have the Danforth Village Business Improvement Area provide this service to you, through a licensed, contracted provider.

The Danforth Village BIA Flower Watering Service will consist of:

Water maintenance for flowers that are placed outside storefront businesses in a planter or other sturdy container. Flowers must be accessible from the street or parking lot. Please note, the watering truck only has a hose reach of 15'. This service is not intended for plants or flowers that are for commercial sale.

*Business owners who choose not to participate in the Danforth Village BIA Flower Watering Program must continue to water and maintain the flowers outside their business and keep it free from garbage.

YES, I/We do give permission to have our exterior storefront flowers watered by the Danforth Village Business Improvement Area (DVBIA).

- o In exchange for inclusion on the DVBIA's flower watering program, I/we hereby authorize the BIA, through a licensed, insured and bonded contractor of its choosing, to access my/our property(ies) and water the exterior storefront flowers on my/our property(ies) that are visible from the street at no cost to me/us.
- o I/we understand and agree that the method or methods of watering the flowers may include but are not limited to the application of a strong jet stream of water emanating from an authorized source. As a result of the flower watering I/we understand and agree that some dirt may be sprayed out of the planter as a result when the flowers are watered. I/we understand and agree that it may not be possible to remove any dirt or residue that falls out of the planter as a result of the watering and I/We will not hold the Danforth Village Business Improvement Area or it's contracted provider responsible for such residue that results.

- o I/we understand and agree that in no event will the BIA be liable to me/us or any other person or entity, nor will I/we bring any legal proceeding regardless of form, for loss or damages of any kind, including but not limited to damage to my/our property(ies), loss of goodwill or business profits, and work stoppage, arising directly or indirectly from any acts or omissions of its employees or its designated contractor in relation to the flower watering process and/or the accessing of my/our property(ies) for the purpose of watering the flowers.
- o I/we understand that this authorization shall remain valid until I/we revoke it in writing, except that the preceding paragraph will survive the revocation of this authorization with respect to any loss or damages arising prior to the revocation. The BIA reserves the right to cancel its Flower Watering Program in writing at any time for any reason, at its sole discretion. In the event that the property owner(s) is/are a corporation, the undersigned represents and warrants that s/he has authority to bind the corporation.
- o I/we understand that the contracted company doing the watering will do everything within reason to provide this service without causing harm or damage to the flowers in the planter(s).
